

# इरपी इपुलरुठुइ नरुतपरुठु ठेकरुठु ठुइ

**These wonderful smelling chakra oils are composed of blended like-minded oils which are used to synergistically increase their effect. Choose the one that you are naturally attracted to, and intuitively resonate with the most. Each chakra oil is premixed with an organic jojoba oil base, and can be directly applied on your body without having to mix with a carrier base. These holistic aromatherapy oils make excellent natural body perfumes, and are 100% therapeutic grade essential oils.**

## RED ROOT CHAKRA

*Ylang Ylang, Vertivert, Cinnamon*

Keywords: Physical Self

An empowering and invigorating aroma, which helps to build a feeling of inner strength, security, and vitality. Supports and nourishes a greater sense of physical self by firmly grounding you in reality. Place a few drops on the inner soles of your feet or lower back region to keep you centered, well rooted, and connected to the physical realms.

## ORANGE SACRAL CHAKRA

*Orange, Lemongrass, Neroli*

Keywords: Creativity, Sexuality

An uplifting fragrance for connecting to your creative, feminine energy. Stimulates your inner child to be open to new experiences, and more available to creative possibilities. This blend helps to evoke happiness, enthusiasm, and optimism. It releases inhibitions, and restrictive thinking, by encouraging happiness and self-assurance. A wonderful aroma to keep you positive, and in the present moment with joy.

## YELLOW SOLAR PLEXUS

*Grapefruit & Rosemary*

Keywords: Self-Esteem

A refreshing and clearing combination of oils, to help lift confusion and increase your mental focus. This synergistic blend will help to manifest your thoughts into reality. Helps to eliminate frustration, and procrastination, and allow expression of deeper personal potentials. Assists with personal accomplishment, and connecting to the fullness of your own personal power; offering greater levels of satisfaction. Rub a few drops on your solar plexus to stimulate your digestion, encouraging the sunny, yellow fire energy within.

## GREEN HEART CHAKRA

*Eucalyptus, Cedarwood, Pine*

Keywords: Love & Harmony

A deep cleansing blend of oils for opening the heart chakra. Created to balance our energies of giving and receiving, with peace and harmony. A perfect remedy for dispelling disappointment, anger, and resentment, apply a generous amount to chest and throat to release tension and constriction to allow the nurturing emotions to flow freely. This blend is like taking a broom to sweep your heart, dispelling heavy energies, which limit experiencing the joy in life.

## BLUE THROAT CHAKRA

*Geranium & Peppermint*

Keywords: Holistic Communication

A calming mixture for centering your thoughts, and restoring peace of mind through connecting with a sense of higher knowingness. Blue throat chakra blend supports authentic self-expression. Massage generously onto back of neck, throat, and temples to release tension headaches and stress. This is the essence that encourages the capacity to speak your own truth with clarity, and non-judgement of others.

## INDIGO BROW CHAKRA

*Patchouli, Myrrh & Frankincense*

Keywords: Intuition, Psychic Awareness

A meditative fragrance for deepening your spiritual connection to the subtle etheric levels of reality. This incredible calming blend facilitates focusing your energies towards intuition, imagination, and visionary capacities. Place a drop of this blend onto your brow chakra to assist with accessing spiritual and psychic aspects of self. Helps to connect to your own dreams, and encourages a greater level of inner awareness.

## VIOLET CROWN CHAKRA

*Lavender & Jasmine*

Keywords: Divine Insight

A special combination of oils to enhance the connection to Divine guidance, and inspiration. Builds a deep affinity for beauty and harmony in all of life, through a strong spiritual connection to the highest vibrations of awareness. Encourages the natural capacity to connect to the divine through enhancing the desire to unconditionally serve others without attachment.

## IMPORTANT DO'S AND DON'T'S

- Use the blends whenever necessary.
- Use liberally as they will be expelled from the body within 12 to 24 hours.
- Consult a health care professional if you are pregnant, have high blood pressure, epilepsy or suffer from seizures.
- Avoid eye area. However, if the blend enters the eyes rinse immediately and with warm water.
- For external use only. Do not take internally.
- Information provided does not substitute for professional medical advice and care.
